

# COFFEE STORE IN A BOX

*It's time to start enjoying amazing coffee!*

We have developed our Coffee Store in a Box product to make brewing amazing coffee fast and easy. We have built into each box all the equipment, marketing supplies and training details to get you up and running in minutes. With a one-year bean package, our prices include a free brewer\* and 24-hour lifetime service on all our brewers.

\* Free brewers are available in the Stone Creek Coffee service area only. Our service area is 45 miles from Milwaukee which includes southern Wisconsin as well as northern Illinois. You may call our customer service team to see if you are in our service area.
