

## PRIVATE LABEL

### A label of your own...

Want to design your own packaging? No problem. We will work with you to meet your private label needs.

Once we have received your artwork, we will begin the setup process. You will receive a PDF proof before your label goes to production. Production time for all orders is one week from proof approval.

A one-time printing setup charge will be assessed per label design. This charge will not be assessed on re-orders.

### Helping you achieve your goal

Our fundraising program is designed to allow non-profit, church, and school organizations to sell our products to raise money for their causes.

- Earn a \$5 profit per pound of coffee sold and receive special group prices
- Receive FREE delivery within the metro Milwaukee area
- Personalize your sale by creating your own custom label
- Buy locally roasted coffee and help support our Socially Responsible Coffee initiatives

### Products

Our fundraising program includes our most popular products to appeal to a wide range of customers. We offer your group the ability to sell a personalized blend of coffee: a custom blend that you choose and you name.
