

MILD ROAST COFFEE *Contact us for current availability and pricing.*

TAKE A WALK ON THE MILD SIDE

Our mild coffee selections offer a crisp brightness without a super-heavy body. Looking for an extra jolt of caffeine? Due to the fact that lighter-roasted coffees spend less time in the roaster, they actually contain slightly more caffeine than a medium or dark-roasted coffee!

ORGANIC MEXICAN

This coffee will please your palate as its soft, well-rounded body immerses your tongue in the warm flavors of mild chocolate and ever so subtle earthiness, ending with a pleasant, lingering finish.

AVAILABLE IN THE SUMMER AND FALL SEASONS

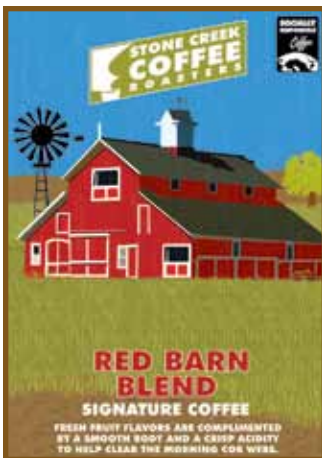

ORGANIC EL SALVADOR

Grown in the mountains of El Salvador, this coffee combines full bodied flavors of berries and dark chocolate that are highlighted by notes of citrus and toasted nuts.

TANZANIA PEABERRY

Noted for its mellow, nutty flavor and unique bean shape, Tanzanian Peaberry is a distinctive coffee with a very loyal following. Every sip of this coffee will reward your palate with a smooth, inviting flavor and a friendly warmth.

RED BARN BLEND

As the sun rises we are all searching for the perfect cup to begin our day. Our Red Barn Blend will greet you with a crisp acidity and hints of orange zest. In the finish you will enjoy a silky smooth body and fresh fruit flavors.

HONDURAS

This nice, mild coffee is highlighted by pleasant notes of lemon citrus and hints of berry fruit in the finish.

OUR COFFEES ARE AVAILABLE IN 1/2 LB, 1 LB AND 5 LB BAGS.
