

FUNDRAISING COFFEES & PRODUCTS

CUSTOM BLEND (MILWAUKEE BLEND)

The Custom Blend gives fundraising groups the option to create an individualized label and name for your coffee to make fundraising sales unique.

The Milwaukee Blend is a well-crafted combination of strength, balance and dark-roasted flavor; made up of 40% Brazil, 40% of French Roast and 20% of Organic Ethiopian to create a great tasting cup!

FRENCH ROAST

The dark roast coffee option for the Fundraising Program. To create our French Roast, we have taken great care to craft a coffee that equals the legendary quality of the great French Roasts of Europe while

preserving a flavor and distinction that is uniquely Stone Creek. Our French Roast is a rich, dark cup of coffee with a noticeable undercurrent of bittersweet cocoa and a pleasantly smooth, velvety finish.

REGULAR & DECAF CREAM CITY BLEND

Named for the city in which it was created, our Cream City Blend is consistently hand-roasted in the Stone Creek Factory in downtown Milwaukee. This coffee is a friendly combination of our

highest-quality Guatemalan, an extremely smooth and chocolaty Ethiopian Harrar, and our French Roast. Cream City Blend is a rich, full, mellow coffee that's as easy-going as the city for which it is named.

ORGANIC FAIR TRADE BLEND

With its vibrantly fruity flavor and a mild, nutty freshness, our Fair Trade Blend is a coffee that truly unites a good flavor and a good cause. The Sumatran coffee in this blend is an

organically grown coffee at family farms in the Gayo Mountain region of northern Sumatra. We carefully blend it with organically-produced coffee from the growers of Peru to create a smooth, well-balanced cup of coffee with a bright, fruity finish. Both coffees in this blend are Certified Fair Trade, meaning that each dollar we spend goes to provide the individual farmers with an equitable living wage.

HAZELNUT FLAVORED COFFEE

This smooth, well-balanced coffee has the perfect touch of hazelnuts, just enough to let you realize they're there but not enough to overpower the carefully roasted beans.

With each sip you'll be tantalized by the rich taste and aroma of hazelnuts that have been finely toasted.

OLD FASHIONED HOT CHOCOLATE 12OZ. TINS

The Omanhene Cocoa Bean Company is producing world class chocolate entirely in Ghana cocoa beans, known as "the finest cocoa in the world."

Through Omanhene's creative joint ventures with Ghana, the sale of Omanhene chocolate results in higher revenues and higher wages for cocoa farmers.
