Warning: This scone has addictive properties. Tell our customers to plan ahead so they can make sure to get their fix!

What makes this scone so addictive? Pistachios of course, but in two different forms. We use pistachio paste to enrich the dough. And the whole roasted pistachios throughout provide just the right amount of crunch. The cardamom gives it a warm spice hug that keeps the love flowing til the final bite.

If our customers just can't get enough, tell them we take special orders!
