Product Description: We're not monkey-ing around. This decadent pastry is made of pieces of our buttery-flaky Danish dough, a tangy-almond cream cheese filling, and a crunchy-sweet almond and rum-sugar topping.

Long Description: The Monkey Danish has been around since the launch of the Bakery in 2012. Some folks would say, "Don't mess with a good thing." but we don't really know what they're talking about. There's nothing wrong with making a good thing better. Affectionately known as the "Franken Danish" we have launched the Almond-Monkey to combine the best of both worlds. We are taking the "pull apart" fun and combining it with the decadence of the Almond cream and rum syrup that we used for our Almond Danish. This new Danish has become the ultimate Danish.
