\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

### PRODUCT DESCRIPTION:

We're always looking to please our vegetarian friends and customers with unique and tasty flavor combinations.

Enter the Garden Veggie Stuff'd Bread.

We start with our soft and squishy brioche. Next, we layer on the feta cream cheese filling. The pieces of resistance are the roasted asparagus and roasted broccoli tossed with salt, olive oil and black pepper, and garnished with pine nuts. Then we bake the whole shebang until it's melty and totally irresistible.

Serve heated to make our fans swoon!
